siplast®

Quality keeps together!

Quality Management
ISO 9001

MADE
IN
GERMANY

The most important thing is that you first have an idea and will implement it with passion.

+ Luciano Benetton +

## experience.

Experience the diversity of SIPLAST's products.

In this catalogue you will find a wide range of examples for products.

## change.

You can change all products to your individual needs.

Benefit from products that really suit.

## create!

Create new products according to your ideas.

The possibilities are nearly unlimited - like your ideas.

## Safe money

- Cost-effective manufacturing thanks to modern machines and computer aided planning and controll of our production processes
- Established innovation management to improve our products, services and processes
- Save 3% at your first order - you pay via discounted pre-payment
- Save tooling charges if you choose an existing format from our wide range of tools. All tools will be archived for 10 years free of charge
- Save artwork charges for unchanged reprints - all printing films and datas will be archived for 5 years
- Free shipping within Germany from an order value over 250,- € net
- Customized logistics - Warehousing, call-off orders, fixed date shipping and neutrally direct delivery
- Delivery service within 50 km we are able to deliver directly and very fast

## Safe time

- Fast processing of orders and quotations – thanks to our modern ERP system with integrated archive system we are able to reduce the processing time to a minimum
- Delivery from stock or within short times for products of our wide range of standard articles
- Short delivery times thanks to our wide range of materials on stock
- Large archive of pictures with many examples of products to support you in advising your customers
- Express manufacturing - you can rely on SIPLAST if you need something really urgently
- Customized services - Packaging, assembly and labelling as per your instructions
- Full service at first hand e.g. a printed ring binder completed with your divider documents, ID card, individually packed and ready for dispatch
- Customized labelling - upon request we equip the packaging with your labels & further information

## Play it safe

- Experience of over 50 years in developement and production of office products
- Certified quality according to DIN EN ISO 9001
- Advise straigth from the manufacturer - individually, kindly and competently
- Inhouse construction - regularly we develope new products for the market as well as existing products and process are being constantly optimized
- get always the best price – thanks to our ERP system we are always able to calculate on an up-to-date basis
- Sample service - we support you during the whole order process e.g. with 3D-models, pictures or hand-made samples
- Sample archive - the ideal basis for follow-up order, change requests or just to find the right product for your customer
- Reliable printing results - upon request we offer you digital and printed proofs or by an original sample with printed artwork for release
- What if a mistake occures? – our experienced team combined with an established complaint management ensure a fast processing to your full satisfaction.

## Raise turnover

- Private Label products - design your own office brand for your products that really correspond to your customers' needs.
- versatile refining - presentation products that matches your Corporate Design by printed and/or embossed layouts
- Customized materials - materials that exactly suit to your Corporate Design combined with a special surface design for an impressive haptic

## Go green

- Eco-friendly materials - all products are only made of recycable materials and considered as harmless according to the European REACH regulations
- Eco-packaging - our product packagings are made of recycled card board to reduce unnecessary waste to a minimum
- Internal recycling-system - we presort all wastes of materials in our production and cooperate with certified partners to ensure an optimal recycling

## Our history

| | |
|---|---|
| **1960** | Foundation of SIPLAST GmbH in Kreuztal-Ferndorf |
| **1968** | Unification with OrgaPlast GmbH. Rolf Weihe became Managing Director |
| **1974** | Georg Weihe became Managing Director |
| **2000** | Reconstruction of the company's building and expansion of new production and stock buildings |
| **2004** | Certification to DIN EN ISO 9001 by the DQS |
| **2008** | Volker Weihe became 2nd Managing Director |
| **2009** | Ingo Weihe succeeded his farther, Georg, in the management of the family business |
| **2010** | SIPLAST celebrated the 50th anniversary of the company |
| **2013** | Awarding of the Design-clipboard **CLAP two as** „pro-K product of the year" |

## Our promise

| | |
|---|---|
| **Quality** | Your requirement is our guideline |
| **Individuality** | We realize solutions that really fit |
| **Innovation** | We develope state-of-the-art products according to high safety standards |
| **Responsibility** | We invest in our company's future, faire wages and skilled employees |
| **Environment** | We rely on eco-friendly materials & production processes |

Volker Weihe Ingo Weihe

Managing Directors of SIPLAST Siegerländer Plastik GmbH

## flexible film

- ortho phthalate free, applicable for toys
- recyclable
- Quality films of European Manufacturers
- wide standard range with opaque & translucent colours
- Special colours upon request
- flexible + robust
- individually printable

0001 0003 0755 0507 0585 0595 0415 0425 0459 0256 0206 0606 0623 0682 0016

## rigid film

- free of softeners, REACH conform
- recyclable
- Quality films of European Manufacturers
- colourful standard range
- Special colours upon request
- though
- individually printable

0001 0011 0003 0755 0507 0585 0415 0459 0256 0206 0606 0623 0682 0016

## pp film

- especially eco-friendly, food safe
- 100% recycable
- Quality films of European Manufacturers
- wide standard range with opaque & translucent colours
- Special colours upon request
- especially resistant
- individually printable

0011 0003 0755 0765 0507 0517 0585 0595 0415 0459 0231 0256 0266 0206 0606 0682 0016

Many other colours, embossings & special materials are available upon request. All information with subject to be changed.
Diviations of displayed colours in this catalog may arise by the 4-coloured printing process.

special embossings

## leather

real leather, available in a wide choice of colour & embossings

## carton

wide range from offset to natural carton, available in variouse designs, colours and surfaces

## laminating

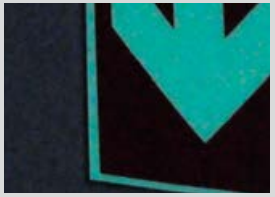
film laminated products made of book-binding card coard with glossy, embossed or matt finish

## acrylic glass

product made of high quality acrylic glass for highest requirements

## injection moulding

wide choice of possibilities in design of moulded products



## special materials

many kinds of special films like magnetic, reflective or persistent films

## processing

| | |
|---|---|
| **cutting** | accurate cuttings |
| **stamping** | individual shapes |
| **creasing** | shapes for pockets and volumes |
| **rivetting** | permanent rivetted connections |
| **bonding** | permanent bonded connections |
| **HF-welding** | especially for PVC films |
| **ultra sonic welding** | usable for various kinds of films |
| **bending** | exactly angled parts |
| **folding** | precisely folded technical items |

## refining

| | |
|---|---|
| **pad printing** | for small quantities with simple layouts |
| **silk screen print** | ideally for middle & high quantities up to 4 colours |
| **digital printing** | ideally for small quantities with high quality layouts and personalisation |
| **offset printing** | high-graded printed layouts for high quantities |
| **blind embossing** | logos you can feel |
| **colour embossing** | logos you can feel and see - also with metallic colours like silver or gold |

## services

| | |
|---|---|
| **completion** | products can be pre-completed for you with accessories like pencil, note pads etc. |
| **assembly** | typical accessory like clips, lanyards can be pre-assembled |
| **packaging** | individual packaging like single-pack, specific packaging units or attached re-order forms |
| **logistic** | specific delivery date or express shipping, directly and neutrally |
| **labelling** | individual labelling |
| **sampling** | pictures, 2D or 3D drawings, Product & material samples |

Our clap - Design line was developed in co-operation with Adrienne Finzsch, a local designer from Kreuztal. This new kind of clip boards show how impressive and sustainable plastic could be used for a new generation of offices products.

- durable and robust PP material
- eco-friendly construction who deliberately reduces the use to only 1 material that offers a maximized recyclability
- impressive design & individual print refining

# The new PromoWing®!

Simple retracable barriers becoming eye-catchers with **PromoWing®**!

- **Universal**
  Our **PromoWing®** suits for most typical barrier systems and enables a wide range of use.
- **Promotional**
  Individually printable by Digital printing on coloured or clear materials.
- **Re-usable**
  Easy to change thanks to the integrated press-stud closures.
- **Versatile**
  Easy to customize even to special requirements and applications.

We're looking forward to your projects!

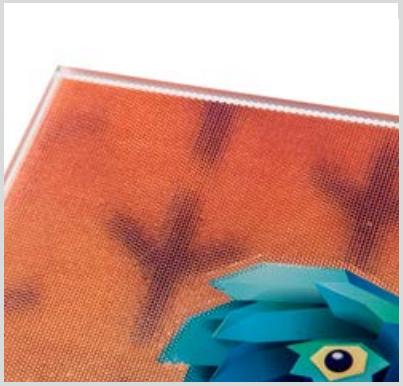
# Customised Board & Banner printing



## 6 Printing colours

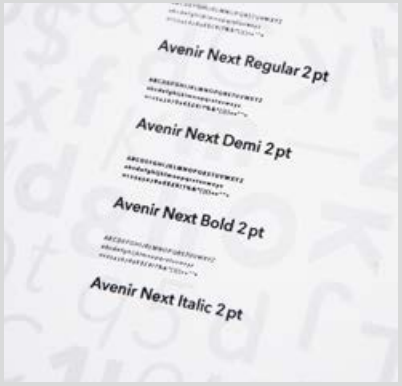
- wider colour space for improved spot colour simulation
- more natural skin colours
- improved grey gradients

## Opque white (Inline)

- maximal opacity on dark and clear materials
- optimised gauge-pins accuracy of colour and white layered printing

## Effect varnish (Inline)

- impressive effects by high gloss varnish
- discreet effecty by matt varnish
- tactile varnish for a special touch



## More print options

- Super FineArt - Readability of very small fonts
- HD-print up to 1080dpi for impressive photos
- Flip-Option for accurate for of double sided printing

## More materials

- large print format for board material up to 2,5 x 2 m and a thickness of 50 mm
- wide choice of roll material for banners.

**Milling & Drilling**
Precise shape cutting of a wide range of materials e.g. foam, acrylic glass, aluminium composite board and many more.

**Angle cutting**
Building of complex 3D-constructions made of high-expension foam or composite boards.

**High-sensitive cutting**
- high-powered shape cutting of card board & leather
- precise pre- & finish cutting of sensitive materials.

**Refining**
- Engraving of logos on board materials
- Polishing of milled edges for high-value touch

**Assembly & finishing**
- Reinforcement of edges by welding & seaming
- Prepare of hanging by metal eylets or drilled holes for sign mounting

## Charging helper
## for Smartphones

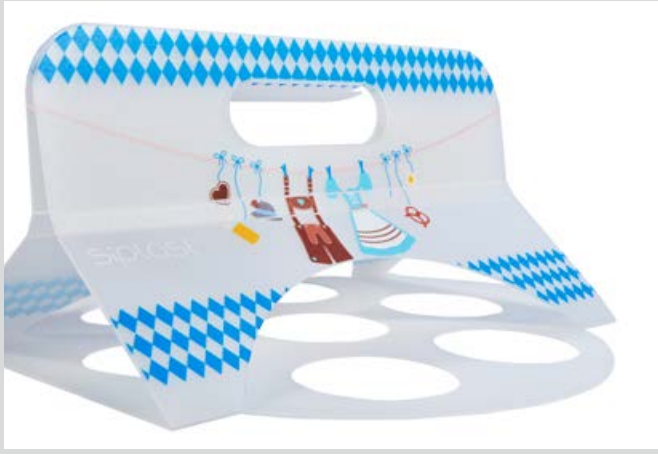
**Ideal for adversting letters**
light weight (12 g), suitable standard DL envelope, individual printing

**Integrated Cable-organizer**
once the cable is fixed the charging helper is everytime ready to use

Custom equiped insides with insert pockets, holders, ring mechanisms & more

Carrying handles, edge seaming & more

**Cup coaster**
available e.g. in square or rectangular shape, re-usable and easy to clean, customised refining by silk screen, offset or digital printing



**Cup - Carrier**
made of robust and food-safe PP material, re-usable and easy to clean, customisable for any kind of cup diameters, customised refining by silk-screen or digital printing

**Desk mat for calendar pad**
transparent or coloured
individually printable

**Mug Placemates & Mini-Mouse pads**
rubber-backed
individual shapes and
printed layouts

**Mobile phone holder**
wide choice of colours
suitable for various mobiles
individual shapes and prints

**Display wobbler**
individual shapes
promotional printing
Adhesive pad for mounting

**Promotional Flowers**
wide choice of colours
individual shapes and format
upon request with pre-assembled
pencils or mailing packaging

**Card boxes, case and passport covers with TÜV-proofed RFID-read protection**
individual printing by UV-silk screen, digital or offset printing
wide choice of colours and combinable

**Credit card holders**
individual prints by silk screen, digital
& offset printing

**Sliding zipper wallet**
various formats available
both side printable
**Example:** with UV-digital print

**Promotion tie**
for attaching on a shirt button
special shapes upon request
optionally with printing

**Fan-Clapping hand**
3 basic shapes
folded suitable for a DL-envelope
individual printing

**ID cards**
customised formats, materials & colour
individual shapes & prints
upon request with suitable box

**rulers, sliders & gauge pins**
